

Quoting & Ordering

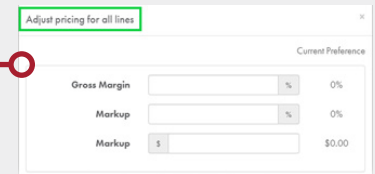

CLEARWIN BENEFITS

- 1 Quick access to all quotes and orders created by your users
- 2 Simple and fast quote and order search functions
- 3 Ability to copy quotes and orders with the click of a button
- 4 Easily accessible, up-to-date order status

PLUS:

Fast mark up and gross margin manipulations

At Harvey, we understand that your time is valuable. You need to provide full, accurate quotes, on your schedule and on the go—so that you can spend less time figuring out pricing and more time getting the job done.

That's why we're leveraging cloud-based technology to offer ClearWin, our easy to use quoting and ordering system. Designed in partnership with industry leader, WTS Paradigm, ClearWin gives Pros the ability to easily configure, quote and order Harvey windows anywhere, on any device—desktop, tablet or phone!

Accurate pricing for how you sell Harvey Windows is only a click or tap away.
